Restored to Good Health

Bilious Attacks
When you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. They only cost a quarter. Obtainable everywhere.

Not Cause for Admiration

Italy's entry into the war is not cause for admiration. In the triple alliance with Germany and Austro-Hungary, Italy declined to go into the war with her allies. This might have been excusable had that country remained neutral, but when it is strengthened and equipped for war and the other powers are weakened by their long struggle, Italy takes advantage of the opportunity to enter the fray for greed—to seize some territory long desired from Austria. Japan waited until Germany was involved and then seized the German possessions in China; and Japan has obtained concessions in China that could not have been obtained had not the powers of Europe been involved in war. None of us thinks much of an individual who attacks another who already has his hands full in a fight; or of one who will take something from one unable to defend himself. Nations who pursue the same course are not entitled to respect.—Statesville Landmark.

CASTORIA

COULD SCARCELY WALK ABOUT

And For Three Summers Mrs. Vincent Was Unable to Attend to Any of Her Housework.

Pleasant Hill, N. C.—"I suffered for three summers," writes Mrs. Walter Vincent, of this town, "and the third and last time, was my worst."

I had dreadful nervous headaches and prostration, and was scarcely able to walk about. Could not do any of my housework.

I also had dreadful pains in my back and sides and when one of those weak, sinking spells would come on me, I would have to give up and lie down, until it wore off.

I was certainly in a dreadful state of health, when I finally decided to try Cardui, the woman's tonic, and I firmly

believe I would have died if I hadn't taken it.

After I began taking Cardui, I was greatly helped, and all three bottles relieved me entirely.

I fattened up, and grew so much stronger in three months, I felt like another person altogether."

Cardui is purely vegetable and gentle-acting. Its ingredients have a mild, tonic effect, on the womanly constitution.

Cardui makes for increased strength, improves the appetite, tones up the nervous system, and helps to make pale, sallow cheeks, fresh and rosy.

Cardui has helped more than a million weak women, during the past 50 years. It will surely do for you, what it has done for them. Try Cardui today.
